

# **Garrison Town Hall Meeting**

**July 13, 2 p.m., Liberty Chapel**

The event agenda includes an awards ceremony for multiple individuals – to include the volunteers of the quarter and the post law enforcement team that recently earned a national title for its traffic safety programs – followed by an information session in which several installation agencies will discuss recent projects and upcoming activities. This meeting is an opportunity also to say goodbye to Col. Morrow who is retiring at the end of July.
